

Charming one story Traditional

A charming one story brick faced traditional home situated in a very popular Pasadena neighborhood.

This property features three bedrooms, two bathrooms, spacious living room with fireplace and french doors opening to a brick porch, family room with exposed beamed ceilings and fireplace opening to rear deck and gardens, large updated kitchen with granite countertops and stainless steel appliances, formal dining room with french doors and a den with built in book shelves and closet which could be used as a fourth bedroom.

The professionally landscaped gardens and rear deck along with the "open" floor plan add to the livability of this charming home.
